

New Jersey State Safety Council

25 Commerce Drive, Cranford, NJ 07016

Phone: (908) 272-7712 • Fax: (908) 276-6622

Email: peterr@njsafety.org • Website: www.njsafety.org

The New Jersey State, which began as the Newark Safety Council in 1924, *is a non-governmental, non-profit public service organization*. The Council is dedicated to the prevention of accidental injuries. Your membership will support the Council's broad range of safety activities in the state of New Jersey.

Local members of the NJSSC will benefit from streamlined products and services in the areas that are specific to the needs of New Jersey residents. Members can expect direct access to the NJSSC, an organization dedicated to the mutual support of New Jersey-based industries.

Your local New Jersey State Safety Council offers many helpful member-exclusive benefits, including:

- Coaching the Lift Truck Operator Train-the-Trainer
- On-Site Lift Truck Training & Services
- Defensive Driving
- OSHA Compliance Training
- First Aid, CPR, AED
- First Responder/Emergency Training
- CEVO Series
- Mid-Atlantic Region Safety & Loss Control Expo
